

## **Ascendant Capital Markets LLC serves as Sole M&A Advisor on SINTX Technologies, Inc.’s Acquisition of Assets of B4C, LLC**

JUPITER, Florida – July 22, 2021 -- Ascendant Capital Markets LLC (“Ascendant”) announced today the completion of an asset purchase agreement between SINTX Technologies, Inc. (Nasdaq: SINT) of Salt Lake City, Utah, and B4C, LLC of Dayton, Ohio.

Ascendant served as the Sole M&A Advisor on the transaction, which was led by Scott Patten, Managing Director.

### **About SINTX Technologies, Inc.**

SINTX Technologies, Inc. (Nasdaq: SINT) is an OEM ceramics company that develops and commercializes silicon nitride for medical and non-medical applications. The core strength of SINTX Technologies is the manufacturing, research, and development of silicon nitride ceramics for external partners. The Company presently manufactures silicon nitride powders and components in its FDA registered, ISO 9001:2015 certified, ISO 13485:2016 certified, and AS9100D certified manufacturing facility.

Through its newly-created and wholly-owned subsidiary called SINTX Armor, the Company plans to utilize a two-pronged strategy. The assets acquired from B4C will be used to manufacture and market pure Boron Carbide - the highest strength ceramic armor available. These are designed to protect soldiers against hardened, high-velocity projectiles, against which other materials are not as effective. Additionally, SINTX will jointly develop and manufacture a special, lower cost composite of Boron Carbide and Silicon Carbide, under an exclusive license from Precision Ceramics USA Inc. The composite material is targeted at the law enforcement and civilian armor markets. For more information, please visit [www.sintx.com](http://www.sintx.com)
