User Manual

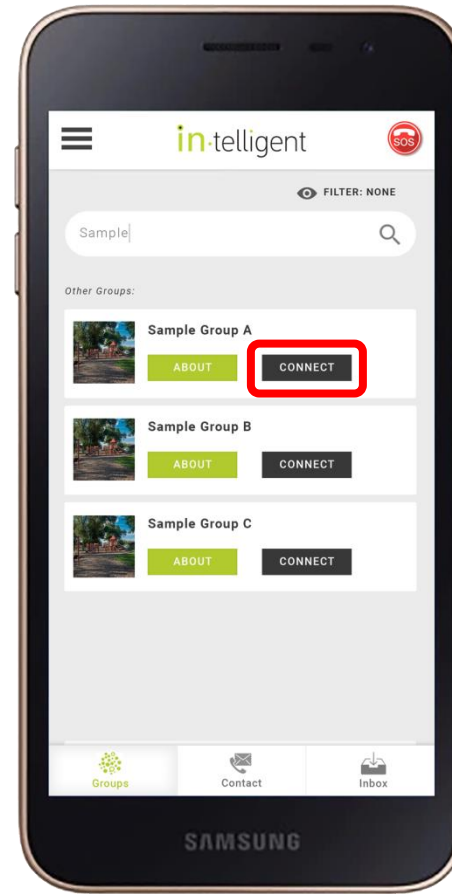

Managing Your Groups

Connecting to a Group

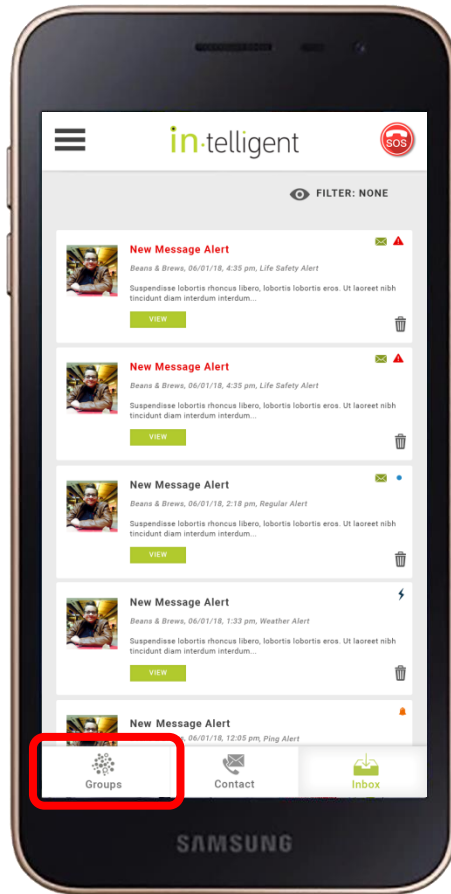

Tap the “Groups” tab at the bottom left to view all the groups you are connected to.

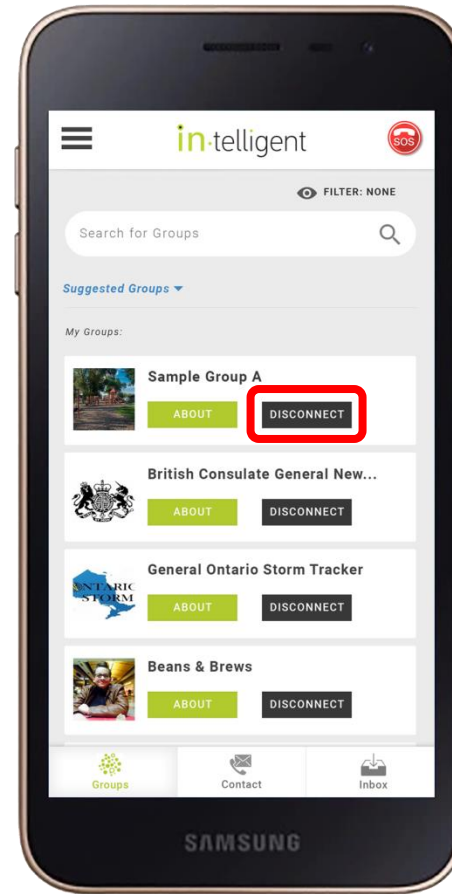

Type relevant terms in the search bar, then hit “Connect” to receive alerts from the group you choose.

Disconnecting from a Group

Tap the “Groups” tab at the bottom left to view all the groups you are connected to.

Tap the “Disconnect” button next to the group you want to stop receiving alerts from.
