Contacting a Group

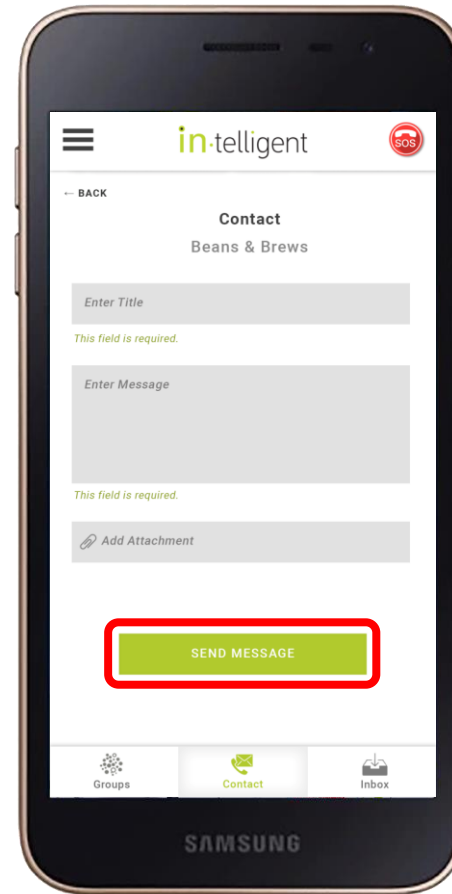

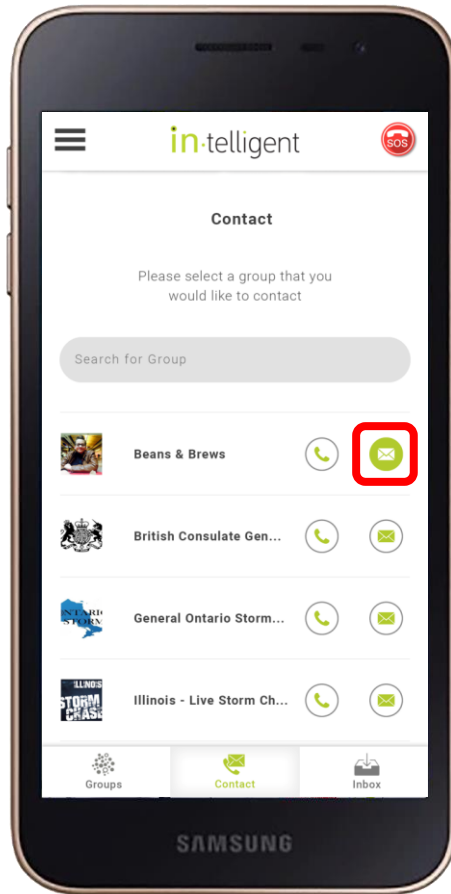

Contacting a Group

As a group member, you have the ability to contact the group for assistance. The "Contact" feature enables you to communicate with your group instantly. To contact a group, tap the "Contact" tab to see the available contact options for each group you are connected to.

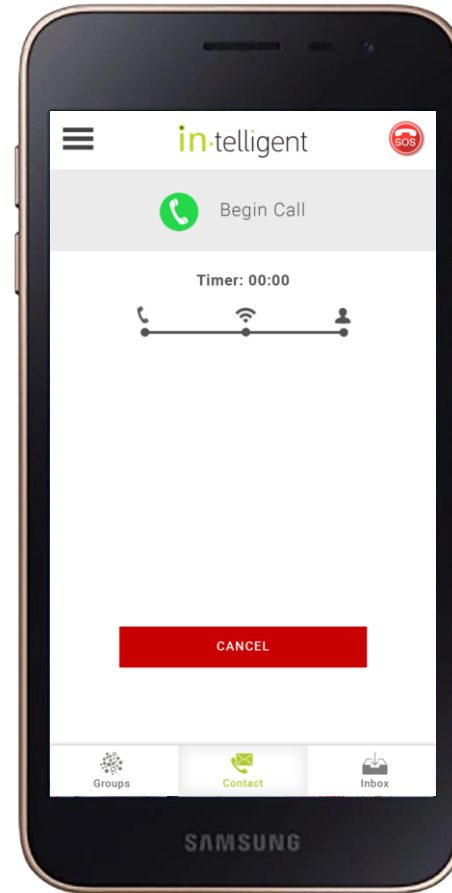

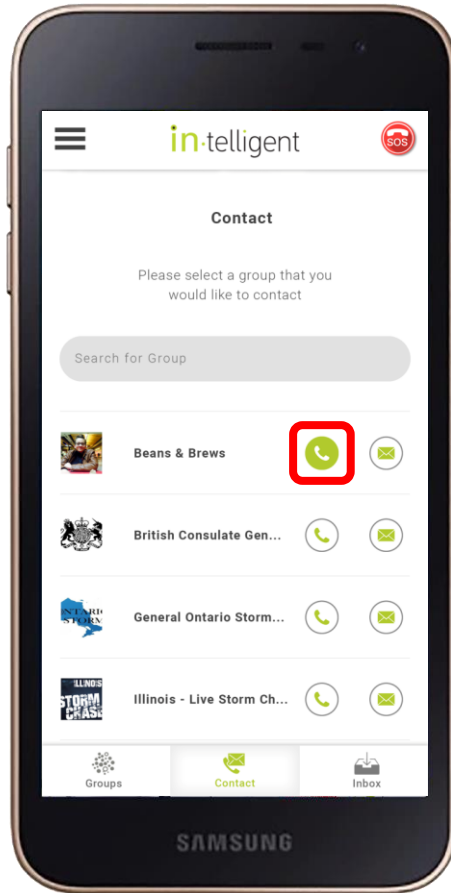

Messaging a Group

To message the group, simply tap the envelope icon. Write your message, and hit "Send Message".

Calling a Group

To call the group, simply tap the phone icon. Your call will be connected automatically. Once the call has connected, a keypad will appear allowing you to key in necessary options, extensions, etc. if required.
