User Manual

Managing Your Inbox

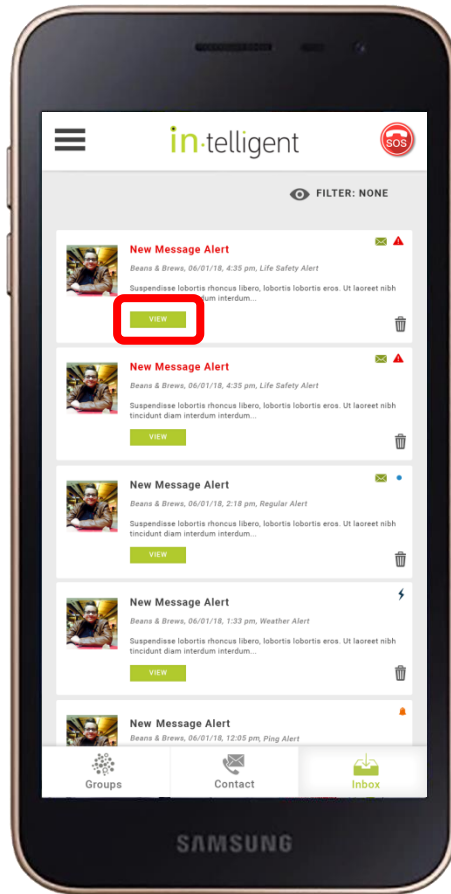

Inbox and Messages

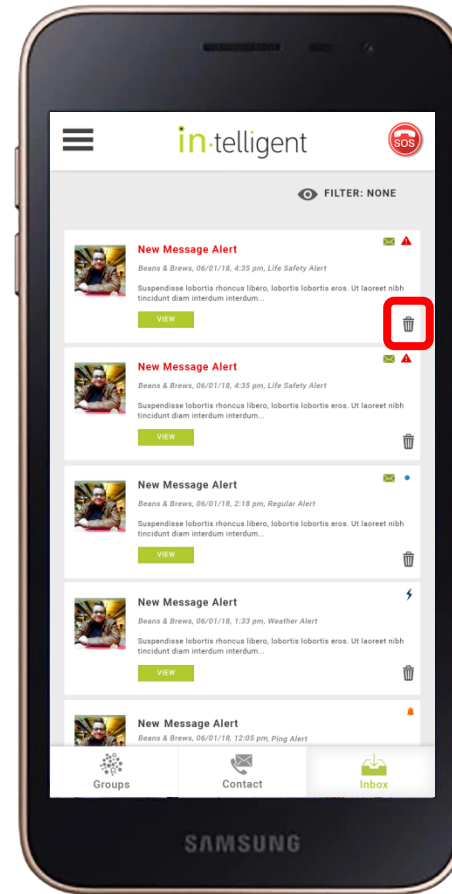

Tap the “Inbox” tab to view the archive of messages that have been sent by all the groups you are connected to. To filter how you are viewing the Inbox, select the eye icon.

Viewing and Deleting Messages

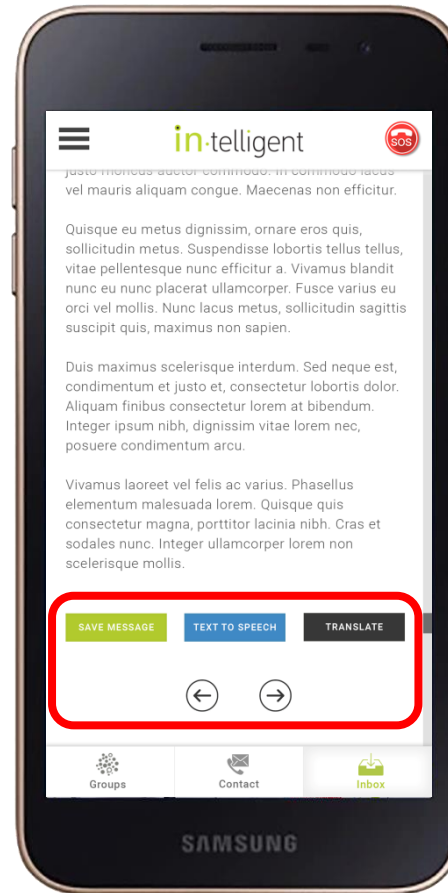

To view a message in its entirety, tap the “View” button beneath the abbreviated message.

To delete a message from your Inbox, tap the trash icon at the bottom right of the abbreviated message.

Interacting with Messages

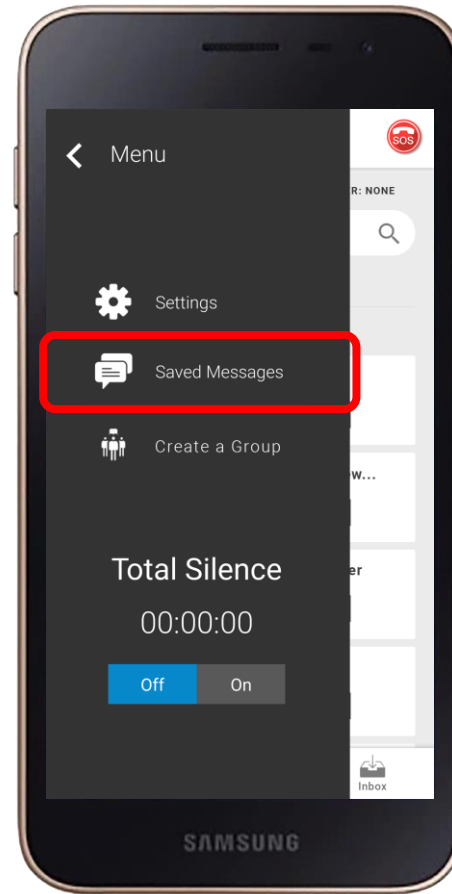

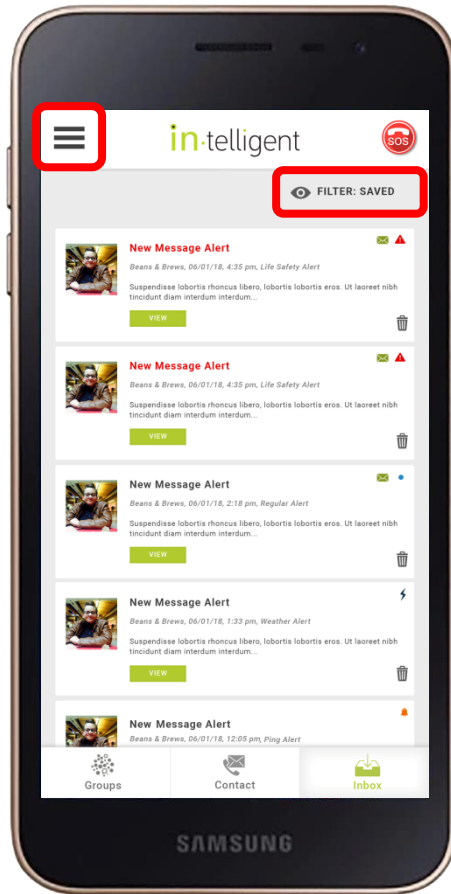

To retain a message, tap “Save Message”. To have the message read to you out loud, tap “Text To Speech”. To translate your message to a different language, tap “Translate”.

The two arrows at the bottom may be used to navigate through the messages in your

Viewing Saved Messages

To view your Saved Messages inbox, use the filter icon to select “Saved Messages.” You can also view your saved messages by selecting the menu icon at the top left of the App and choosing “Saved Messages.” Once a message has been saved, it can then be deleted from the “Inbox” because it will remain in “Saved Messages.”
